Vice-Principal

Believe in yourself. You are braver than you believe, stronger than you are and smarter than you think. Never stop until you achieve your goal.

Dear Parents / Guardians,

I, on behalf of Vidyasagar Senior Secondary School, Dhubri, heartily welcome you to our institution, which is established in the name of renowned Social Reformer and Educator, Ishwar Chandra Vidyasagar whose influential thoughts, ideas and advice guide everyone in the path of changing the society.

Our prime motto is to prepare our children for the future. As parents, we understand how difficult it is to make our children good human beings for society and in this respect, we need your earnest support. We, the team of Vidyasagar Senior Secondary School, have been working together for the welfare of our children so that they may become responsible citizens for the country as well as society.

Dear parents, I want to assure you that our dedicated faculty members and supporting staff will do their best to give your children a healthy, peaceful learning environment for their all round development.
