### Description

Principal

At the beginning I extend my hearty welcome to all who desires to seek admission to Vidyasagar Senior Secondary School, where education means all round development of the student. This is a school that has a mission to make each student achieve his and her best.

Dear Parents and Students

We at Vidyasagar Senior Secondary School strive to respect the unique individuality of each student, give the student the right kind of help. We believe that a student will be successful in life if we accept him/her as they are and inspire them to achieve what they want to become. They want to be appreciated and to be respected their individuality.

We give lot of importance to make discipline a core value, encourage students to develop a sense of responsibility through a well planned academic schedule, House system, various Inter School, Intra School competitions and activities.

The school has a well-planned curriculum so that co-curricular activities also are given due importance. The school Almanac and Personal Booklet give all the important information on school like the routine, rules and regulation, uniforms, test schedules, holidays, co-curricular activities and feedback from teachers. The parents should ensure that their ward is actively involved in all activities.

Finally dear Parents, I want to assure you that the Management and our team of experienced teachers are doing their best to give your child the required edge to make his/her mark in this global world.

I do hope you will not miss it.
